

4.7.5: Table of Favorites

Using an HTML table, make a table that lists your favorite things for each day. Each day of the week will be a column in the table. The rows will be your

- favorite food to eat for breakfast
- favorite activity to do on that day
- favorite person to hang out with on that day
- favorite place to go on that day

The table headers should have the name of each day of the week.

For example, the table could look something like this:

My Daily Favorites

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
Pancakes	Toast and Peanut butter	Protein Shake	Toast and Peanut butter	Yogurt with granola and berries	Fruit Smoothie	Cereal and milk
Go to the lake	Play soccer	Play board games	Watch TV	Ride my bike	Watch movies	Play baseball
Parents	Janice	Janice	Janice	Janice	Janice	Stevie
Art Museum	Park	Game store	Living room	Park	Mini-Golf Park	Amusement Park

BONUS CHALLENGE:

List more than one favorite thing in a table cell (td) by using a list.
