What are your personal rules to staying safe online? How will these rules keep you safe?

Sample Response:

Do not overshare on social media or in usernames (birthdays, full name, etc).

Keep accounts private.

Be skeptical and safe with people you meet or talk to online. They may not really be who they say they are!

Bring a parent/adult/crowd when meeting an online friend.

Limit online "friends" to only people you really know in real life.
